Frequently Asked Questions

How do I start a game?

Open a conversation in iMessage, tap the Apps button, select Whot!, choose your settings, and send the game invitation.

How many players can play?

2 to 6 players can play in a single game.

What is Tournament Mode?

Tournament mode plays multiple rounds. In 2-player games, it's best of 3. With 3+ players, one player is eliminated each round until a winner remains.

What does the turn timer do?

When enabled, players have a limited time (10, 15, or 30 seconds) to make their move. If time runs out, they automatically draw a card.

What is Semi Last and Last Card?

You must announce "Semi Last" when you have 2 cards left and "Last Card" when you have 1 card left. Forgetting results in a 2-card penalty.

Can I play without an internet connection?

You need an internet connection to send and receive game moves through iMessage.
